-------------------	-----------------------	----------------

SUBJECT	<b>Difference List of DELPHI EMS</b>
MODEL	GV/GT250(R)
EFFECTIVE F/M NO	

This service bulletin is written to inform you of a difference list.

## 1. Purpose

- To prevent any confusion with ordering parts and replacement.

## 2. Details

- DELPHI EMS(Engine Management System) has been applied to GV/GT250(R).  
Through the process, we have modified not only ECU but also many electric parts.  
Moreover, the SPEEDOMETER SYSTEM has been modified as well.  
Please refer to attachments for further information and differences.
